Introduction

Barun Multiple Campus (BMC) was established in the community efforts in Khandbari Municipality, the Headquarter of Sankhuwasabha District, in 2043 B.S. with the affiliation of Tribhuvan University.

BMC has been running +2 of NEB, Bachelor's Degree in Humanities and Social Sciences, Management and Education and Master's Degree in Education of TU. It is a public campus established with the aim of providing accessible, affordable, and quality education to people in the remote Sankhuwasabha and northeast Bhojpur and other districts of Eastern Nepal. It is a non-profit public institution.

BMC was founded with the community and local administrators' initiation. District Coordination Committee, Khandbari Municipality, Sankhuwasabha Chamber of Commerce and Industry, the then Chief District Officer, politicians and local parents contributed time, capital and labor for the establishment of the campus. since then, contributions of national and international donor organizations, individuals, University Grants Commission, Tribhuvan University, local government, and line agencies of Sankhuwasabha, teachers and students are genuinely remarkable for the incessant growth and development of the campus.

Vision

BMC will be recognized nationally for the excellence of its programs and development of professional and community leaders.

Mission

BMC will receive a greater acceptance from the community and the stakeholders by dedicating itself to producing skilled and professional manpower through the scholarly, creative and research activity of its faculty, staff and students.

Goal

BMC will maintain financial sustainability, improve physical facilities and create an appropriate teaching-learning environment for quality assurance

Objectives

- To produce human resource equipped with necessary skill, competency and integrity
- To impart sense of responsibility towards society, nation and the world.
- To produce skilled manpower for the nation.
- To create harmonious campus environments.
- To improve internal and public communication extend networking and maintain transparency and good governance.
- To improve sound physical and financial assets.
- To stress on wider geographic coverage and inclusion in students population.
